Hallo, also du hast einen Lizenz Key den musst du hier www.activate.citycardriving.com/ aktivieren dann bekommste den Serial key !

To obtain the program activation key, perform the following steps:

copy the code from the startup window

open the website www.activate.citycardriving.com/

enter your serial number, the program code you have copied, and your e-mail.

The activation key will be sent to your e-mail.

Enter your activation key into the box in the program window and click "Registration" button.

You will receive your license from Multisoft soon, however if not received within 12 hours then please contact Мультисофт at
